

PAINFUL WORDS

It had a man, this man had a lion who was he best friend. One day they was talking and thing in a group. The man tell the lion, "Oh gosh, boy yuh mouth smelling stink you know."

The lion feel bad but he keep quiet because he was among friends.

After that day the lion came to the friend and he bring ah axe and tell the friend, "Ah want you to take dis axe and give me a hand lash on meh head."

So the friend take de axe, he did'nt want to do it but he hit the lion in he head. The lion head buss. So the lion leave and gone away.

He stay away from he friend for a long time until he head get better and heal.

After the head get better he come back to he friend and he say, "Ah want you to look at meh head."

So when the friend look at de head he see the cut get better.

The lion say, "Yes the cut get better but the hurtful word you gave meh ah still have it inside dat eh get better."

With dat now the lion jump and eat up de friend.
