

# AS NEVER IN A LEADER YET

**E**lection time in bygone years  
**R**ecalled some great, but grounded fears,  
**I** used to tell each Candidate:  
**C**ampaign promises evaporate.

**W**ell, seeing trends these five years past,  
**I** have changed my view at last.

**L**eft and right, a completed scheme  
**L**auds the outgoing regime.

**I**ndomitable will, and foresight met,

**A**s never in a Leader yet!

**M**eanwhile, he's done what none else can do;

**S**o back we'll send him and his crew!
